

MF battery (Maintenance Battery)

Features:-

- 1)Long service life,
- 2)Low self-discharge,
- 3)Superior high-current discharge,
- 4)Strong charge acceptance,
- 5)Wide operating temperature range,
- 6)High security,
- 7)Strong shock resistance,
- 8)Low internal resistance,
- 9)High output power,
- 10)Convenient transportation.

APPLICATION:-

cars, vans, off-road vehicles, trucks, buses, tractors, excavators, ships, engines, etc...
